

# Community Recycling Campaign

*For a Better Tomorrow*

(A non-profit tax-exempt organization)

## PLEASE DONATE YOUR USED COMPUTERS AND PLASTIC TOYS TO CRC

For every one computer you recycle, there will be one less in the landfill. Help us fight eWaste problem by conserve and reuse, Computers are composed of plastic, mercury, arsenic, lead, and lots more of what are considered to be hazardous materials and can be recycled. Please help us make our world a better place by start recycling today, you will be doing a great support to save our environment. We all can make a difference. Thank You— Sachin Rudraraju
